

Nelson Roque

The Pennsylvania State University
Department of Human Development and Family Studies
422 Biobehavioral Health Building, University Park, 16802
Email: nur375@psu.edu

Appointments & Affiliations

2024–present

Assistant Professor

Department of Human Development and Family Studies
Penn State University

Affiliations

Social Science Research Institute (SSRI)
Geroscience Consortium, Center for Healthy Aging

2020–2023

Assistant Professor

Psychology Department
Human Factors and Cognitive Psychology Program
University of Central Florida

Education

- 2020 — National Institute on Aging (NIA) T32 Postdoctoral Fellow, Pathways T32 Training Program. Center for Healthy Aging, Pennsylvania State University
- 2018 — PhD, Cognitive Psychology, Florida State University
- 2015 — M.S., Cognitive Psychology, Florida State University
- 2012 — B.S., Psychology, Florida State University

Research and Teaching Interests

Cognitive Aging, Environmental Health, Digital Health & Misinformation

Peer-Reviewed Articles (Supervised students & postdocs underlined>

Funding

Current External Research Funding

1. NIA-5R01AG080635-03 — Validation of the Remote Cognitive Aging and Alzheimer's Disease Research (R-CARE) Toolbox for Diverse Populations

Role	PI / Prime	Sponsor	Period	Total Costs	Public Record
Principal Investigator of subaward	Prime: Albert Einstein College of Medicine	NIH/NIA	2023–2028	\$868,564	NIH Re-PORTER

2. NIA-5R21AG078846-02 — Perceived Ethnic Discrimination and Cognitive Function in Mexican-origin Adults

Role	PI / Prime	Sponsor	Period	Total Costs	Public Record
Principal Investigator of subaward	Prime: University of Texas at Austin; PI: Dr. Liz Muñoz	NIH/NIA	2022–2024	\$90,232	NIH Re-PORTER

3. NIA-5P01AG003949-12 — Einstein Aging Study, Project: Air Pollution and Cognitive Function

Role	PI / Prime	Sponsor	Period	Total Costs	Public Record
Co-Principal Investigator	Albert Einstein College of Medicine; Co-PI: Dr. Charles B. Hall	NIH/NIA	2022–2027	\$911,768; 35% allocation	NIH Re-PORTER

4. NIA-5P01AG003949-12 — Einstein Aging Study, Core: Technology and Data Management Core

Role	PI / Prime	Sponsor	Period	Total Costs	Public Record
Core Leader; Principal Investigator of subaward	Albert Einstein College of Medicine	NIH/NIA	2022–2027	\$1,696,559; 19% allocation	NIH Re-PORTER

5. NIA-U2CAG060408 — Mobile Monitoring of Cognitive Change (M2C2)

Role	PI / Prime	Sponsor	Period	Total Costs	Public Record
Principal Investigator of subaward while at University of Central Florida	Prime award	NIH/NIA	2022–2023	\$50,000	NIH Re-PORTER

6. NIA-R44AG056250 — A Non-Pharmacological Multi-Modal Therapy to Improve Sleep and Cognition and Reduce Mild Cognitive Impairment Risk

Role	PI / Prime	Sponsor	Period	Total Costs	Public Record
Principal Investigator of subaward while at University of Central Florida	Prime: Proactive Life, Inc.	NIH/NIA	2021–2022	\$14,685	NIH Re-PORTER

7. NIA-R03AG067009 — Investigating Medication Errors in Daily Life: Discovering Person-specific and Situation-specific Risk Factors

Role	PI / Prime	Sponsor	Period	Total Costs	Public Record
Principal Investigator	Nelson A. Roque	NIH/NIA	July 2020–May 2022	\$149,000	NIH Re-PORTER

Funding Applications In Review

8. NIA-240459 — Advancing Mobile Monitoring of Intraindividual Change in Alzheimer's Disease and Related Dementias: Building an Open and Inclusive Infrastructure

Role	Sponsor	Proposed Period	Proposed Total Costs	Public Record
Co-Core Leader, Data Management and Analytics Core	NIH/NIA	2024–2029	\$19,844,799	NIH RePORTER

Core	Allocation	Proposed Costs
Technical Core	10%	\$4,372,510
Data Core	10%	\$2,142,145

Awards, Honors, & Distinctions

1. 2025 — Neurobiology and Changing Ecosystems Fellowship from the Research Corporation for Science Advancement
2. 2022 — UCF College of Sciences Excellence in Research and Creative Activities Celebration Award Recipient
3. 2017 — Mark & Gloria Charness Cognitive Science Award
4. 2017 — Florida State University, Leslie N. Wilson-Delores Auzenne Assistantship
5. 2016 — ASAP (Accessibility and Safety for an Aging Population) Doctoral Fellow Award
6. 2016 — Florida State University, Leslie N. Wilson-Delores Auzenne Assistantship
7. 2015 — Florida State University, Leslie N. Wilson-Delores Auzenne Assistantship
8. 2014 — NIMH Summer Institute in Cognitive Neuroscience Fellowship, UC Santa Barbara

Teaching Experience

Pennsylvania State University

Term	Course / Role
Spring 2026	Adult Development and Aging
Fall 2025	No teaching, Course Buyout
Spring 2025	Adult Development and Aging (Instructor of Record, co-teaching with A. Santos)
Fall 2024	No teaching, Course Release
Spring 2024	Adult Development and Aging; Individual Studies
Fall 2023	Individual Studies

University of Central Florida

Term	Course / Role
Summer 2023	Independent Study
Summer 2023	Honors Directed Readings II
Summer 2023	Directed Independent Research
Spring 2023	Advanced Human-Computer Interaction
Spring 2023	Directed Independent Research
Spring 2023	Honors Thesis I and II
Spring 2023	Independent Study
Fall 2022	Cognitive Psychology
Fall 2022	Honors Directed Readings I
Fall 2022	Directed Independent Research

Term	Course / Role
Fall 2022	Honors Thesis I
Spring 2022	Advanced Human–Computer Interaction
Spring 2022	Honors Directed Readings
Spring 2022	Directed Independent Research
Fall 2021	Directed Independent Research
Spring 2021	Cognitive Psychology
Fall 2021	Cognitive Psychology

Florida State University

Term	Course / Role
Fall 2016	Brain and Behavior
Spring 2016	Research Methods
Summer 2014	Python Programming + Open-Source Experiment Building Workshop (Co-Lecturer)

Teaching Preparation and Training

Item	Details
Completed Teaching Practicum	FSU Psychology Department Teaching Practicum, Department of Psychology (Supervisors: Dr. Orenda Johnson, Dr. Justin Moss). January 2016–May 2016.
Professional Training	ABCs of Diversity (December 2021); Essentials of Online Teaching (Fall 2020); FERPA Training (May 2020).

Professional Service

Service to Penn State

2023–present. Member. Professional Preparation, Development, and Evaluation (PPD&E) Committee. Department of Human Development and Family Studies. The Pennsylvania State University. Participate in activities including data curation about other HDFS programs, preparation of the identity survey, and contributions to group discussions and organization.

2023–present. Chair. Qualifying Examination Committee. Doctoral Program in Human Development and Family Studies. The Pennsylvania State University. Provide feedback on manuscripts and proposals and chair qualifying exam committees, including for Rinanda Shaleha.

2023–present. Member. Comprehensive Examination Committee. Doctoral Program in Human Development and Family Studies. The Pennsylvania State University. Provide feedback on manuscripts and proposals and serve on committees, including Alexa Allan.

2024–present. Member. Research Impacts Working Group. Social Science Research Institute. The Pennsylvania State University. Contribute metrics for measuring research impact.

2023–2024. Member. Search Committee for the Environmental Health Science Initiative. College of Health and Human Development. The Pennsylvania State University. Participated in candidate screening, assessment, and interviews for two tenure-track positions with SSRI and ICDS affiliations.

Service to Funding Agencies

2023. Early Career Reviewer. National Institutes of Health (NIH), F02B Study Section. Reviewed grant applications and provided critiques and scores for funding consideration.

2024. Early Career Reviewer. National Institutes of Health (NIH), Human Complex Mental Function (HCMF) Study Section. Reviewed grant applications and provided critiques and scores for funding consideration.

Service to Professional Organizations

2024–2026. Program Chair. American Psychological Association (APA), Division 20 (Adult Development and Aging).

2022, 2025, 2026. Early Career Award Reviewer. Society for Ambulatory Assessment (SAA), Division 20. Reviewed applications for the SAA Early Career Award.

2018, 2019. Conference Abstract Reviewer. American Psychological Association (APA), Division 20 (Adult Development and Aging).

2019. External Reviewer. Society for Research in Child Development (SRCD), Student and Early Career Council Dissertation Research Funding Awards.

2020. Student Grant Reviewer. Department of Kinesiology, The Pennsylvania State University. Participated in a mock NIH-style study section review.

2014–2016. Graduate Student Representative. American Psychological Association (APA), Division 20 (Adult Development and Aging). Developed strategies to increase membership, produced newsletter content, and organized conference social events.

2015. Poster Judge. Division 20 Poster Session, American Psychological Association Annual Meeting.

Service to Profession, Peer Review

Ad hoc Reviewer. Applied Ergonomics; Frontiers in Digital Health; Journal of Applied Gerontology; Journal of Medical Internet Research (JMIR); JMIR Serious Games; Journal of Experimental Psychology: Applied; Journal of Gerontology: Psychological Sciences; Journal of Visualized Experiments (JoVE); International Journal of Psychophysiology.

Community Outreach

2018–2019. Guest Lecturer. Pennsylvania CareerLink. Delivered public lectures on project management tools, digital work preparation, and practical strategies for remote work (“Project Management Tools for Efficiency and Success,” “Work from Anywhere: Preparing Your Digital Toolbox,” and “Work from Anywhere: Tools & Practical Advice”).

2017–2018. President. Tallahassee Apple Users Group Inc., 501(c)(3) non-profit organization. Led operations, developed community partnerships, and delivered technology-focused presentations.

2016–2017. Vice President. Tallahassee Apple Users Group Inc., 501(c)(3) non-profit organization. Delivered presentations on consumer technology and maintained organizational website.

Professional Memberships

- Member, Gerontological Society of America
- Member, American Psychological Association, Division 20 (Adult Development and Aging)
- Member, American Psychological Association, Division 21 (Applied Experimental and Engineering Psychology)
- Member, American Psychological Association, Division 38 (Society for Health Psychology)

Scientific Outreach

Media coverage of air quality monitoring work

(2018, November). “JAG: A New Tool for Assessing Mobile Device Proficiency in Older Adults: The Mobile Device Proficiency Questionnaire.” <http://sagenursing.sage-publications.libsynpro.com/jag-a-new-tool-for-assessing-mobile-device-proficiency-in-older-adults-the-mobile-device-proficiency-questionnaire>

Presentations (approximately last ten years)

Invited Talks

1. Roque, N.A. (2025, May 20th). Detection of AI-Generated Information Across the Lifespan. In-person presentation for the IAFCI PA State Annual Conference in State College, PA.
2. Roque, N.A. (2025, March). Detection of AI-Generated Images Across the Lifespan. In-person presentation for the Mental Health Technology Center (MHTech) Seminar Series at the University of California San Diego.
3. Roque, N.A. (2024, May 10th). Breathe Well, Age Well. Virtual presentation as part of Stony Brook’s Cognitive Aging Colloquium.
4. Roque, N.A. (2024, January 22nd). Beyond Numbers: Unlocking Health Insights in Underserved Communities through mHealth Data Collection. In-person presentation and Q&A panel as part of UT Austin’s CAPS Panel on Ecological Momentary Assessments in Underrepresented Populations.

5. Roque, N.A. (2022, October 20th). Cognitive Assessment in the Cloud: Approaches & Lessons Learned. Virtual presentation as part of Amazon Web Services (AWS) Education Research Seminar Series.
6. Roque, N.A. (2022, October 6th). Cognitive Assessment in the Cloud: Approaches & Lessons Learned. In-person presentation at Union College. Schenectady, New York.
7. Roque N.A. (2020, August 20th). Leveraging Air Quality Sensors to Detect Smoking Behaviors. Virtual presentation at Pennsylvania State University x Monash University: Intersection of Health and the Environment.

Conferences: Organized Symposia

1. Harrington, K., Roque, N., & Mogle, J. (2020, November). Approaches for Modeling of Intensive Longitudinal Data to Understand Cognitive Aging. *Innovation in Aging*, 4(Suppl 1), 565. Gerontological Society of America, 2020 Annual Meeting. – Symposium Co-Chair.
2. Sliwinski, M.J. and Roque, N.A. (2020, April). Increasing the Precision of Measuring Cognitive Function in Older Adults using Mobile Technologies. *Cognitive Aging Conference*, 2020 Annual Meeting. – Symposium Co-Organizer; accepted; conference cancelled due to COVID-19.
3. Roque, N.A., Hyun, J., Scott, S. (2019, November). Using Mobile Technology to Elucidate Psychosocial and Cognitive Function in Older Adults. *Innovation in Aging*, 3(Supplement_1), S809-S810. Gerontological Society of America, 2019 Annual Meeting. – Symposium Chair.

Conferences: Oral Presentations

1. Hyun, J., Roque, N., Lovasi, G., Hosgood, D., Katz, M., Lipton, R., & Hall, C. (2025). Beyond Neighborhood Boundaries: GPS-Based Activity Space, Built Environment, and Cognitive Health. *Innovation in Aging*, 9(Supplement_2), igaf122.949. <https://doi.org/10.1093/geroni/igaf122.949>
2. De La Garza, A. G., Derby, C., Wang, C., Mogle, J., Lipton, R., Roque, N., Katz, M., & Rabin, L. (2025). Perception to Performance: Linking Cognitive Lapses & Smartphone Cognitive Assessments in the Einstein Aging Study. *Innovation in Aging*, 9(Supplement_2), igaf122.1890. <https://doi.org/10.1093/geroni/igaf122.1890>
3. Shaleha, R., Almeida, D., & Roque, N. (2025). Daily Stress, Cortisol Dysregulation, and Screen Time in Midlife and Older Adults: Findings from the MIDUS Study. *Innovation in Aging*, 9(Supplement_2), igaf122.3065. <https://doi.org/10.1093/geroni/igaf122.3065>
4. Hoogendoorn, C., De La Garza, A. G., Roque, N., Wang, C., Lipton, R., & Gonzalez, J. (2025). Wearable Continuous Glucose Monitoring and Cognitive Performance in Older Adults With Type 2 Diabetes. *Innovation in Aging*, 9(Supplement_2), igaf122.1889. <https://doi.org/10.1093/geroni/igaf122.1889>

5. Sergeyev, N., Bodek, H., Moffitt, C., Andrews, H. J., Cameron, J. D., Lavin, R., Roque, N. A., Ezzati, A., Lipton, R. B., & Rabin, L. A. (2025, July 27). Impact of Sociodemographic and Linguistic Factors on TICS-m Screening: Findings from the Remote-CARE Study. Alzheimer's Association International Conference. <https://alz.confex.com/alz/2025/meetingapp.cgi/Paper/106205>
6. Go Cheng, K. J., & Roque, N. A. (2025, July 27). Hitting the Brakes: Driving Cessation, Cognitive Health, and the Mediating Role of Social Relationships Among Older Adults in the U.S. Alzheimer's Association International Conference. <https://alz.confex.com/alz/2025/meetingapp.cgi/Paper/099940>
7. Garcia De La Garza, A., Derby, C. A., Wang, C., Roque, N. A., Katz, M. J., Lipton, R. B., & Rabin, L. A. (2025b, July 27). How Daily Experiences of Stress and Emotions Contextualize Subjective Cognitive Concerns: Findings from Daily Digital Diary Assessments in the Einstein Aging Study (EAS). Alzheimer's Association International Conference. <https://alz.confex.com/alz/2025/meetingapp.cgi/Paper/107552>
8. Garcia De La Garza, A., Derby, C. A., Wang, C., Roque, N., Katz, M. J., Lipton, R. B., & Rabin, L. A. (2025c, July 26). Elucidating the Association Between Pain and Self-Perceived Cognitive Functioning Using Daily Digital Diary Assessments: Results from the Einstein Aging Study (EAS). Alzheimer's Association International Conference. <https://alz.confex.com/alz/2025/meetingapp.cgi/Paper/110543>
9. Garcia De La Garza, A., Derby, C. A., Wang, C., Roque, N. A., Katz, M. J., Lipton, R. B., & Rabin, L. A. (2025a, July 26). Longitudinal Increases in Subjective Cognitive Concerns are associated with Changes in Global Cognitive Performance: Findings from Daily Digital Diary Assessments in the Einstein Aging Study (EAS). Alzheimer's Association International Conference. <https://alz.confex.com/alz/2025/meetingapp.cgi/Paper/110603>
10. Roque, N., Sliwinski, M., Katz, M., & Anderson-Hanley, C. (2023). Revolutionizing Cognitive Assessment: The Power of Digital Biomarkers and Ecologically Valid Methods. In-person oral presentation by lead-author at the Annual Scientific Meeting of the Gerontological Society of America (GSA).
11. Roque, N.A. (2022, August). Exploring Model-based Profiles of Adherence to a Technology-Based Cognitive Intervention. Presented in-person at the American Psychological Association Annual Conference. [**Premier Psychology Conference**]
12. Roque, N.A., Adamo, S.*, Lago, M., Barufaldi, B. (2022, July). Modeling Quit-time Behavior in a Satisfaction of Search (SOS) Experimental Framework: The Role of Context and Experience. Presented virtually at the Medical Image Perception Society Annual Conference.
13. Roque, N.A. (2022, April). Implementation of Web-based Experiments: Considerations for a Live Study. Presented virtually at the Cognitive Aging Conference.
14. Harrell, E., Roque, N., Boot, W., & Charness, N. (2021). Exploring Factors that Shape Adherence to Technology-Based Cognitive Interventions. *Innovation in Aging*, 5(Suppl 1), 843-843. [**Premier Gerontology Conference**]
15. Roque, N. A., Hall, C. B., Katz, M., & Sliwinski, M. J. (2021, November). Air Pollution Exposure is Associated with Cognitive Performance: Results from the Einstein Aging Study. Virtual presentation by lead-author at the 2021 Annual Scientific Meeting of the

- Gerontological Society of America (GSA) conference. *Innovation in Aging*, 5(Suppl 1), 138-138. [**Premier Gerontology Conference**]
16. Roque, N. A., Hall, C. B., Katz, M., & Sliwinski, M. J. (2021, August). Air Pollution Exposure is Associated with Cognitive Performance: Results from the Einstein Aging Study. Virtual presentation by lead-author at the 2021 International Society for Environmental Epidemiology (ISEE) conference. In *ISEE Conference Abstracts* (Vol. 2021, No. 1). [**Premier International Environmental Epidemiology Conference**]
 17. Boot, W., Roque, N., Harrell, E., & Charness, N. (2020). Older Adults' Adherence to Technology-Based Intervention: The Role of Messaging and Individual Differences. Virtual presentation by lead-author. *Innovation in Aging*, 4(Suppl 1), 555.
 18. Charness, N., Souders, D., Best, R., Roque, N., Yoon, J., & Stothart, C. (2020). Acceptance of Transportation Technologies by Aging Adults. Virtual presentation by lead-author. *Innovation in Aging*, 4(Supplement_1), 555-555.
 19. Harrington, K., Roque, N., Zhaoyang, R., Mogle, J., & Sliwinski, M. (2020). Loneliness and Profiles of Objective and Subjective Memory During Midlife. Virtual presentation by lead-author. *Innovation in Aging*, 4(Suppl 1), 565.
 20. Cerino, E. S., Hyun, J., Hakun, J. G., Roque, N. A., Lipton, R. B., & Sliwinski, M. J. (2020). Variability in working memory performance on mobile devices is sensitive to mild cognitive impairment: Results from the Einstein Aging Study: Neuropsychology/early detection of cognitive decline with neuropsychological tests. Virtual presentation by lead-author. *Alzheimer's & Dementia*, 16, e039960.
 21. Sliwinski, M. J., Hakun, J. G., Roque, N., Katz, M. J., Zhaoyang, R., & Lipton, R. B. (2019). Intensive ambulatory cognitive assessments in older adults: sensitivity to cognitive risk status in the Einstein Aging Study (EAS). Virtual presentation by lead-author. *Alzheimer's & Dementia*, 15(7), P355-P356.
 22. Oravec, Z., Roque, N., & Sliwinski, M. (2020, November). Bayesian Modeling of Cognitive Impairment in the Presence of Retest Effects. *Innovation in Aging*, 4(Suppl 1), 566. Virtual presentation presented by lead-author at the Annual Scientific Meeting of the Gerontological Society of America (GSA). Virtual
 23. Roque, N., Sliwinski, M., & Ram, N. (2020, November). Questionnaire-Based Everyday Reaction Time: Reliable, Valid, and Unobtrusive Measure of Cognition. *Innovation in Aging*, 4(Suppl 1), 599. Virtual presentation by lead-author at Annual Scientific Meeting of the Gerontological Society of America (GSA).
 24. Roque, N., Ram, N., & Ong, A. (2019, January). Predicting health outcomes from time series features of affect dynamics: a machine learning approach. Presented by lead-author at the Bi-Annual World Congress Meeting of the International College of Psychosomatic Medicine (ICPM). Florence, Italy. In *Psychotherapy and Psychosomatics* (vol. 88, pp. 110-110). Allschwilerstrasse 10, CH-4009 Basel, Switzerland: Karger. <https://www.karger.com/Article/Pdf/502467>
 25. Ong, A., Roque, N., & Ram, N. (2019). Fragile positive affect and systemic inflammation. Presented by lead-author at the Bi-Annual World Congress Meeting of the International College of Psychosomatic Medicine (ICPM). Florence, Italy. In *Psychotherapy and Psychosomatics* (Vol. 88, pp. 100-100). Allschwilerstrasse 10, CH-4009 Basel, Switzerland:

Karger. <https://www.karger.com/Article/Pdf/502467>

26. Mason, J., Jaime, S., Roque, N.A., Maharaj, A., Tenenbaum, G., & Figueroa, A. (2019, May). The effects of an acute bout of aerobic exercise on cognitive function in older adults. Presented by lead-author at the Annual Meeting of the American College of Sports Medicine (ACSM). Orlando, FL.
27. Roque, N.A., Boot, W.R. (2018, May). The Development and Validation of the Mobile Device Proficiency Questionnaire in U.S. Samples. Presented at the 2018 Annual Meeting of the International Society for Gerontechnology. St. Petersburg, FL.
28. Souders, D.J., Charness, N., Roque, N.A., Pham, H. (2018, April). Do Advanced Driver Assistance Systems (ADAS) improve older driver performance? Presented by lead-author at SUNY Stony Brook, Smart and Connected Community Conference. New York.
29. Roque, N.A., Boot, W.R., Charness, N., Barajas, K., Dirghalli, J., Mitchum, A. (2016, July). Exploring the Comprehension of a New Traffic Signal to Promote the Safety and Awareness of Pedestrians. Presented at Human Computer Interaction International (HCII). Toronto.

Conferences: Posters
